

NEARLY 9 IN 10 SENIORS ARE SATISFIED WITH MEDICARE PART D

How satisfied are you with your prescription drug coverage? Nearly 9 in 10 seniors across gender, age and region are satisfied.

- According to the survey results, 94% of seniors say their prescription drug plan is convenient to use, while 90% report that their plan works well.
- Additionally, 91% of seniors say they understand how their plan works and know how to use it.
- Seniors also feel they are getting coverage at a good price.
 - The survey found that 85% of seniors think their prescription drug plan provides good value.
 - 83% and 82% of seniors agree their copays and monthly premiums, respectively, are affordable.
 - 80% said their out of pocket costs are reasonable.
- More than 7 in 10 seniors also reported feeling “fortunate” and having “peace of mind knowing that I’m covered.”
- Of those surveyed, 7 in 10 seniors also reported it is important to them to have a variety of Part D drug plans from which to choose.
- 3 in 4 seniors agree their health care coverage plan covers all the medicines their doctor prescribes.

Morning Consult conducted a national survey of 2,021 adults who are 65 and older and 1,792 seniors who have prescription drug coverage. The interviews were conducted online from July 8-13, 2015. Results from the full survey have a margin of error of plus or minus two percentage points.
